WEDDINGS AT PRIVATO VINEYARD & WINERY

It's YOUR SPECIAL DAY!

A truly authentic vineyard wedding awaits at Privato Vineyard and Winery. Weddings at Privato offer an idyllic setting in our newly created gardens. Vast views of the vineyards and sweeping vistas of the mountains of the Thompson Valley Wine Country provide for a magical setting for your special day. Our gardens are the perfect venue for a wedding ceremony followed by an elegant wine reception.

Included in your venue fee is the exclusive use of our wedding gardens for a three hour period including a one and a half hour period for the wine reception.

Following the wine reception, you and your guests will have private access to our tasting room and wine garden from 5:00pm until 6:00pm. It is the perfect spot for your guests to relax and enjoy the idyllic surroundings with friends and family prior to embarking for the reception.

Also included in the venue fee is a one hour rehearsal the day before the wedding, a Privato wine barrel for décor, parking for up to 75 vehicles, and a 35' x 45' hexagon tent.

You and your fiancé will also enjoy a complimentary private wine tasting prior to your special day to select the wine you would like to enjoy at the wine reception. We also offer a 10% discount on all case orders of wine to be enjoyed at your wedding reception.
